

Dear Parents,

As you will be aware, it has been announced that all schools in the UK are to be closed from Friday 20 March in order to suppress the spread of Coronavirus (Covid-19), and nurseries have been asked to do the same. Our centres in the UK will adhere to that directive and sadly, we will be closing our centres to most of our children from Friday evening. Although, we will look to remain open for those children of key people who provide fundamental services. We appreciate the impact this will have on our families, and that you will undoubtedly have many questions, and we are working to update you on this matter in due course.

There are many issues which need to be clarified and we are awaiting further advice from the relevant government departments as this unprecedented situation continues to unfold. We hope to issue a more complete update early next week to give you the clarity you deserve and expect.

In the meantime, we have been working behind the scenes to ensure your UP app includes plenty of activities to entertain your child at home. We will be preparing more appropriate content for UP following today's announcement and we will be doing as much as we can to support our families remotely.

We thank you for your patience, understanding and support at this difficult time.

Kind regards,

Busy Bees
